## Advantages and Benefits:

### Cutting-Edge Knowledge:
Faculties gain insights into the latest IT trends, ensuring relevance and competitiveness in academic endeavors.

### Holistic Development:
Soft skills training enhances faculties' interpersonal skills, leadership abilities, and pedagogical techniques.

### Practical Assignments:
Hands-on assignments provide practical experience and reinforce theoretical concepts.

### Student Impact:
Students receive high-quality education enriched with contemporary insights, preparing them for industry challenges.

### Faculty Empowerment:
Empowered faculties contribute to enhanced teaching methodologies and student engagement.

### Management Support:
Institutions benefit from faculty members equipped with up-to-date knowledge and skills, fostering innovation and excellence.

**Payment of a nominal fee of Rs. 5000 /- + GST for the 10-day program.**

# LEADING THE CHARGE INTO THE FUTURE

## Elevate Your Expertise with AGP's Advanced IT Faculty Development Program

*A transformative initiative delivering cutting-edge IT insights and essential soft skills to engineering faculties. Empower your team with the knowledge and expertise needed to thrive in today's ever-evolving technological landscape. Join us and lead the charge into a brighter future for education and innovation.*

**#AGP FACULTY DEVELOPEMENT PROGRAM**

## Introduction:

Aadi Guru Prodigy (AGP) is a pioneering entity in the realm of online Live IT Training courses, dedicated to empowering faculties across engineering institutions. With a vision aligned with the dynamism of IT Industry 5.0, AGP offers comprehensive training sessions tailored to incorporate the latest IT trends of 2024-2025. Our programs aim to equip faculties with cutting-edge knowledge and soft skills essential for navigating the evolving landscape of technology and education.

## IT Trend Analysis 2024-2025:

The IT landscape of 2024-2025 is characterized by transformative advancements poised to reshape industries and societies worldwide. AGP recognizes the significance of staying ahead in this ever-evolving domain.

### Key trends include:

**01. AI & ML Neura Links:**

Harnessing the power of artificial intelligence and machine learning for unprecedented insights and automation.

**02. Robotics:**

Integration of robotics in various sectors, healthcare, revolutionizing manufacturing, and beyond.

**03. Cyber Security:**

Addressing the escalating threats in cyberspace with robust security measures.

**04. Quantum Computers:** Pioneering quantum computing technologies for unparalleled computational capabilities.

**05. Big Data :** Big Data revolutionizes decision-making by harnessing vast volumes of information to extract valuable insights. Big Data course explores advanced analytics techniques, empowering faculties to navigate this transformative field with expertise.

**06. Data Science:** Leveraging vast datasets for informed decision-making and predictive analytics.

**07. Cloud Computing:** Shifting towards cloud-based solutions for scalability, flexibility, and efficiency.

**08. Metaverse:** Exploring immersive digital environments and their applications across industries.

**09. Internet of Things (IoT):**

Interconnecting devices to enhance automation, efficiency, and connectivity.

**10. Blockchain Technology:**

Facilitating secure and transparent transactions across various sectors.

# Course Details and Timeline:

*AGP's Faculty Development Program spans 10 days, comprising daily sessions of 1 hour on IT Latest Technology and 45 minutes on Soft Skills.*

| IT Skills Development Program - Session 01 : | Soft Skills Development Program - Session 02 : |
|---|---|
| Day 01 : AI & ML Neura Links | Day 01 : Leadership Management |
| Day 02 : Robotics | Day 02 : Teaching Techniques |
| Day 03 : Cyber Security | Day 03 : Work Management |
| Day 04 : Quantum Computers | Day 04 : Intrapersonal Skills |
| Day 05 : Big Data | Day 05 : Counseling |
| Day 06 : Data Science | Day 06 : Change Management |
| Day 07 : Cloud Computing | Day 07 : Money Mantra |
| Day 08 : Metaverse | Day 08 : Career Guidance |
| Day 09 : Internet of Things (IoT) | Day 09 : Entrepreneurship |
| Day 10 : Blockchain Technology | Day 10 : Overseas Education |

*Join Aadi Guru Prodigy's Faculty Development Program to embark on a transformative journey towards professional excellence in the dynamic realm of IT.*
